# DA Assignment 4

**Task 1:**Create one fixed and one exclude LOD expression.

Fixed LOD expression: FIXED level of detail expressions compute a value using the specified dimensions, without reference to the dimensions in the view.

Exclude LOD: EXCLUDE LOD expressions remove some of the detail from the view for the purposes of the calculation, such as looking at the average blood pressure for patients etc.

Task 2: Create any 2 map visualizations using geographical data.

Task 3: Create Top N and/or Dynamic dimension parameters and utilize those in your workbook.
